

Division of Hospital Medicine, DFM, Queen's University / Kingston Locum Physician Opportunities

Looking for a new opportunity?

We are looking for dedicated, enthusiastic locums to cover for year-round locums to provide in patient clinical coverage at Division of Hospital Medicine based at Providence Care Hospital, Kingston.

Division of Hospital Medicine is a dynamic group of 10 physicians committed to delivering quality care to patients admitted in Complex Medical, Rehabilitation and Mental health programs of Providence Care Hospital. Providence Care Hospital is a sub-acute care hospital and Southeastern Ontario's leading provider of specialized care in aging , mental health and rehabilitation.

The successful applicant must be licensed to practice in Ontario on or before your appointment start day, with preference given to candidates who have a valid certification from the College of Family Physicians of Canada. As we are an academic division, locum responsibilities may include both patient care and resident supervision.

Clinical coverage hours are 8 AM to 5 PM, Monday to Friday.
There are no responsibilities after hours, on weekends or stat holidays.

A competitive remuneration package is offered. Locum opportunities include 0.5 to 1.0 FTE roles. As well, for those considering this opportunity, Kingston offers a myriad of outdoor activities including world-class sailing, kayaking, boating, scuba diving, golf, hiking and cycling within the Thousand Islands tourist region.

Applicants are asked to submit the following:

1. A current curriculum vitae;
2. The names and contact information for three referees;
3. A letter of good standing from the College of Physicians and Surgeons of Ontario (CPSO); and
4. Proof of membership with the Canadian Medical Protective Association (CMPA).

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

Applications for locum physician opportunities should be forwarded to:
