

Have you been diagnosed high blood pressure during your pregnancy?

YOU MAY BE ELIGIBLE TO PARTICIPATE IN A RESEARCH STUDY LOOKING AT THE BENEFITS OF BREASTFEEDING ON MATERNAL BLOOD PRESSURE AND GENERAL HEALTH.

To be eligible:

- you must be at least 18 years old
- your current pregnancy is/was complicated by high blood pressure
- singleton pregnancy
- you must have phone and internet access
- you plan to breastfeed
- you plan to bottle feed

Breastfeeding support interventions provided as part of this study are at no cost to participants.

Parking and transportation costs will be reimbursed.
